## Absolutely Pure

### The Woman Makes the Home

She makes it best who, looking after the culinary department, turns her back resolutely upon unhealthful, or even suspicious, food accessories. She is economical; she knows that true economy does not consist in the use of inferior meat, flour, or baking powder. She is an earnest advocate of home made, home baked food, and has proved the truth of the statements of the experts that the best cooking in the world today is done with Royal Baking Powder.

## The Coughs of Children

They may not cough today, but what about tomorrow? Better be prepared for it when it comes. Ask your doctor about keeping Ayer's Cherry Pectoral in the house. Then when the hard cold or cough first appears you have a doctor's medicine at hand. This cough medicine is especially good for children. No anodynes. No alcohol.

Many a child is called dull and stupid when the whole trouble is due to a dry liver. We firmly believe your own doctor will tell you that an occasional dose of Ayer's Pills, sugar-coated, will do such children a great deal of good. Ask him.

KNOW IT WELL

Familiar Features Well Known to Hundreds of Stanford Citizens

A familiar burden in many homes. The burden of a "bad back". A lame, a weak or an aching back. Often tells you of kidney ills. Doan's Kidney Pills are for weak kidneys.

Heer is Stanford testimony. D. C. Dyehouse, Whitley, avenue Stanford, Ky., says: "I am in a position to recommend Doan's Kidney Pills highly as they were the one and only remedy that ever gave me relief from backache. My back was so sore and painful that it was hard for me to get around for days at a time. I tried everything but did not seem to get anything that would bring me relief until I procured Doan's Kidney Pills at Shugars and Tanner's Drug Store. They proved to be what I needed and by the time I had used three boxes, the pain in my back disappeared and I felt better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y. sole agents for the United States.

Remember the name—Doan's—and take no other.

Many growing girls in school or business are frail—delicate—anaemic—lack energy and ambition and have thin blood. It is all unnatural and unless checked leads to serious and chronic ills.

Nourishment, not drugs, is the law of reason to build strength—but when appetite is poor and digestion weak, ordinary foods do not nourish—then SCOTT'S EMULSION is necessary.

SCOTT'S EMULSION overcomes just such conditions; its tissue material enters the blood without digestive effort and makes it rich. It tones the whole system and starts the healthy action of cells throughout the body.

Imitations are often offered, but to get results you must get SCOTT'S.
